

Woodstock Community and  
Infrastructure Delivery Plan

# COMMUNITY QUESTIONNAIRE

APRIL 2019

Helping communities help themselves

## Why have I received this survey and why should I fill it in?

**Woodstock Town Council and Blenheim Estate have appointed Community First Oxfordshire (CFO) to consult the community about the current and future needs of the town. CFO is a locally-based community development charity.**

The Woodstock Community and Infrastructure Delivery Plan will take shape across 2019. The first six months will see a wide-range of opinion and ideas gathered, while the second will see projects identified and prioritised, with strategies for delivering them set out.

Several new housing sites will be developed in the next decade; it is important to ensure that the special character of the town is preserved, facilities are enhanced where necessary and the new developments successfully integrate with the existing communities in Woodstock.

Some projects that emerge from the community conversation may be achievable through:

- developer contributions process (section 106) on new development sites
- being designed into new developments.

Some may need a different approach, perhaps more long term. It is important to say that not all projects will be achieved via forthcoming development.

**Lots of background information, including maps, links to local plans and detailed site overviews can be found on the Plan pages on the CFO website:  
[www.communityfirstoxon.org/woodstock-community-plan/](http://www.communityfirstoxon.org/woodstock-community-plan/)**

Have  
your  
say!

Initial community discussions suggest that key issues for the town may be schools, green spaces, a doctor's surgery, traffic and parking.

We also want to find out more about the needs of community organisations and groups, and the challenges they face now and as the town grows.

If you have an idea or an opinion, if you want to get something done in Woodstock, now or in the future, then this is a great opportunity to make your voice heard.

**Even if you have already completed a feedback form for the Plan, please fill in this survey.**

**The survey is in 4 parts – we want to find out what you think about both Woodstock in general and the new developments in particular.**

If you would prefer to fill in an electronic version of the survey, please follow the link at:

## About Community First Oxfordshire

CFO has long-standing expertise in working with communities to find out their needs and develop strategies to help make them happen. Our role is to be the 'honest broker'.

All information provided in the survey will be kept in accordance with General Data Protection Regulations 2018 (CFO's privacy statement is available at [www.communityfirstoxon.org](http://www.communityfirstoxon.org)). CFO will analyse the survey results and prepare a summary report which will be made available to the community.

If you have any questions about the survey or require assistance completing it, please contact Rachel Woods at CFO: **[woodstockplan@communityfirstoxon.org](mailto:woodstockplan@communityfirstoxon.org) – 01865 883 488**. Additional surveys are available from the Woodstock Town Council offices, or by contacting CFO.
